This is our 1st Annual Community Craft, Yard & Flea Bazaar with room for hundreds of vendors. There will be a delightful mix of Artisans with handcrafted items along with Flea Market Vendors and yard sales looking to sell their unwanted treasures. The Bradford Fair will be selling Hamburgers, Hotdogs, French Fries and Refreshments. There will also be a variety of other food vendors on site including baked goods. The event will also include live entertainment. We look forward to seeing you Rain or Shine.
